RESEARCH INTERESTS

- ❖ Constraint programming systems based on narrative and AI/NLP
- ❖ Affective HCI through cognitive and affective modeling
- ❖ Computational systems for expression and creativity
- ❖ Digital content curation methods and their applications in UX design

EDUCATION

- ❖ **M.Sc. in Digital Media Informatics** Oct. 2016 - Mar. 2021
Department of Mathematics and Computer Science
University of Bremen, Bremen, Germany

GPA (excluding thesis): 3.6/4 • GRE: AW. 5 | Quant. 153 | Verbal. 142

RELEVANT COURSEWORK: AI Meets Artificial Art, Media Design, UX Design: Soft Interactions, Gamification & Game Studies, Media Theory, Virtual Reality & Physically-Based Simulation

- ❖ **B.Sc. in Computer Science-Software Engineering** 2011 - 2016
Department of Computer Science
Islamic Azad University, Mashhad, Iran

GPA: 3.1/4

RELEVANT COURSEWORK: Machine Learning and AI, Data Mining, Algorithms Design, Principles of Compilers Design, Statistics and Probabilities, Graph Theory and its Applications

RESEARCH EXPERIENCE

- ❖ *Memory Triggers: How Musical Soundtracks Take Advantage of Silence to Activate Involuntary Autobiographical Memories and Lead to Self-change*

Farzad Abbaspour

(<http://dx.doi.org/10.13140/RG.2.2.27171.09766>)

- ❖ *Implicit Sexism Through Language and Motion Picture in Young Hollywood*

Farzad Abbaspour

(<http://dx.doi.org/10.13140/RG.2.2.17104.76802>)

TEACHING EXPERIENCE

- ❖ **American English Instructor** 2012 - 2014
Shokooh English Institute

- ESOL teacher to teens and adults in various courses
- Administered and evaluated student performance through written tests
- Combined discipline with effective lesson plans to increase concentration, participation, and progress student accountability.

- ❖ **Teacher Training Course** Summer 2012
Shokooh English Institute

- Ranked 3rd among 25 attendants

Coursework: *The Practice of English Language Teaching* by Jeremy Harmer

- ADMINISTRATIVE EXPERIENCE
- ❖ **Assistant Managing Director** 2017 - 2018
Bremer Institut für Produktion und Logistik GmbH
 - Proofreading and line editing scientific proceedings for online publication and print.
 - Managing academic material delivery tasks for various PhD candidates
 - Providing assistance to PhD candidates regarding scientific material preparation and the refinement of their thesis defenses
- PROFESSIONAL EXPERIENCE
- ❖ **Market Researcher & International Representative** 2014 - 2015
Beroozresani
 - Built AI and machine-learning infrastructure to interpret and store first-party consumer data in realtime through evolving neural networks.
 - Conducted nation-wide corporate demographic identification and analysis to profile consumer data.
 - Conducted group and one-to-one IT consultation sessions for macOS and iOS users.
- RELEVANT PROJECTS
- ❖ **Developer and co-editor at “Reach for the Starz”**
 - Partnering with the biggest names in young Hollywood to promote public events through a dynamic cloud-based calendar in realtime.
 - Pushing web notifications¹ to users’ phones following a quick subscription procedure.
 - ❖ **Unofficial IMDB API (RESTful)**
Unlimited extraction of the full range of movie specifications from IMDB
 - ❖ **Cloud-based School Automation System “Arielle”**
All-in-one web-based automation system for managing school affairs: student placement, payment, issuing report cards, SMS notifications, API.
 - ❖ **Official Twitter Translation Project (into Farsi)**
Delivering and optimizing translations for Twitter’s web & mobile interfaces
 - ❖ **The Podcast “Touch by Beroozresani”**
Screenwriting and post-production editing for the first Iranian tech podcast, generating over 3 million impressions on social media platforms.
 - ❖ **GUI-Based Youtube Downloader for macOS**
-  Full portfolio is accessible on my homepage. —
- HONORS AND AWARDS
- ❖ **Webby Award nominee for “Reach for the Starz” in the “Apps, Mobile, and Voice” category, New York, USA, 2013**
 - Recognized for innovative idea and the implementation of an iOS web-based notification system¹
 - ❖ **Certificate of Proficiency in English (CEFR C2), 2002 - 2012**
 - Top student in 11 courses out of the total 37 preparation courses taken
 - Integrated various immersive methods and topics (psychology, and effective cross-cultural communication) to accelerate learning process.

¹ The action was performed using a custom programatic workaround as Apple does not allow web-notifications to be pushed to iOS devices, even to this day.

❖ **Ranked 1120th** (top 5%) in National Entrance Exam for Bachelor of Science in Iran, 2011

❖ **Ranked 1st for “Best Blog”** in the Cultural and Artistic Competitions² in Iran, 2010

PRESENTATIONS

❖ **Live English Interpreter** Spring 2016
The 2nd Iran-Japan Joint Conference on Water and Wastewater Industry
Mashhad Water & Wastewater Company, Mashhad, Iran

❖ **Executive Committee Member - Public Relations** Summer 2015
“*Advertisement and Branding Through Social Media*” conference
Islamic Azad University, Mashhad, Iran

SKILLS

❖ **Programming:** Python, Prolog, PHP, MySQL, NLP and Neural Network modeling, Web Service and API programming, CSS/HTML.

❖ **Software:** Linux, AWS cloud VM deployment, cPanel, Wordpress CMS, Final Cut Pro X, Adobe InDesign, Adobe Lightroom, iOS/macOS deployment and troubleshooting, SEO and ad analytics platforms, Microsoft Office.

❖ **Teaching:** Class management and tutoring, speed reading, counseling, effective work with parents.

❖ **Languages:** English (fluent), Persian (native), German (beginner), Arabic (beginner).

❖ **Other:** Speech and debate, CRM and demographic analysis, proofreading and line editing, content marketing and blogging.

INTERESTS

Narratology, cooking, portrait photography, Country music, YA movies
